BYOB: Bring Your Own Bag

New for 2018, the City of Salem passed a “Bring Your Own Bag” ordinance joining 60 other cities and towns in MA to reduce waste caused by single-use plastic bags. To promote reusable bags instead, plastic bags are no longer used by Salem businesses. This change helps to avoid problems in our city and environment like clogged storm drains, and bags caught in trees and waterways. Learn more at Salem.com.
