GETTING MARRIED IN SALEM

Salem is a unique city for your very special event. Venues and settings range from historic to traditional to contemporary. Local hotels and inns are within walking distance of downtown venues, or trolleys can be rented to easily move your wedding party or guests from place to place.

Beautiful Settings

Have your wedding portraits taken with a lighthouse, tall ship, or historic architecture in the background. Plan an outdoor ceremony on Salem Common, where the first muster of the National Guard happened, or in front of the mansion that inspired Nathaniel Hawthorne. Dance the night away in the sweeping atrium of the Peabody Essex Museum.

Location

Just 15 miles north of Boston, Salem is located on the Massachusetts coast 45 minutes from Logan Airport by car and 30 minutes from Boston's North Station by MBTA Commuter Rail train.

Accommodations

Block rooms for your guests at the historic Hawthorne Hotel or The Salem Inn, or at the contemporary Salem Waterfront Hotel & Suites, or rent one of the smaller inns like the Henry Derby House or The Merchant. Additional accommodations can be found within a 15-20 minute drive from Salem.

Complete listings of accommodations can be found at Salem.org.

PLANNING AN OCTOBER WEDDING

October is the peak of tourist season in Salem. Halloween festivities welcome thousands of visitors to the city. Here are some considerations to keep in mind while planning your ceremony in October. Contact Destination Salem or any of the vendors listed here for information on navigating this fun time of year.

Travel & Parking

Allow extra time to travel to and from Salem and park, and be aware that parking lots and garages fill up early in the day, especially during October weekends.

Weekend street activities affect pedestrian and automobile flow throughout downtown, especially on Essex, Washington, and Derby Streets and Hawthorne Boulevard.

The first Thursday evening of October, downtown streets are closed for the Haunted Happenings parade.

On Columbus Day Weekend, a street fair on Essex Street happens. The street from the pedestrian mall to the Salem Common area is closed for the weekend.

Amplified Noise

Street performers may be performing with music or amplified sound in specified downtown districts. Check with Destination Salem or your venue to determine if your event will be affected.

Photography in Public Spaces

Salem will be busy with costumed visitors which can enhance or interfere with outdoor photography, depending on your perspective.

Accommodations

Salem is home to several hotels and inns and it is advisable to book months in advance for reservations in October, as well as during the summer months.

Vendors

Ensure your vendors are aware that travel, loading and unloading may take longer than usual.
